Continuation of Substance of Interview including description of the general nature of what was discussed: Claims 13 and 22 cite a computer readable medium. The specification page 42 lines 3-6 and 16-19 describes a computer readable medium to comprise of communication media and storage media, wherein communication media includes carrier waves. Thus, claims 13 and 22 are described as signal claims. The examiner suggested amending claims 13 and 22 to exclude communication media and be limited to the storage media. Thus, claiming away from a signal claim. Claims 13 and 22 were agreed to be amended to "computer- readable storage medium."
